BridgetonBiz.com Initiative Application

What IS BridgetonBiz.com? It is an initiative by the Bridgeton Improvement Committee (BIC) to provide an on-line presence, visible to all, of what businesses and services are available in our town. This service is provided free of charge to any business operating within the area of Bridgeton, NC. BIC will provide one page on the website to your business, will post any photographs (up to three) you wish to supply OR have our staff photographer take for you and provide a link to your existing website (should you have one already) and supply contact information (telephone number, address and email link) to provide ease of contact to existing or potential customers. Once page is approved, you will be able to make one change every 6 months free of charge. More changes will be done at a rate of \$10 per change.
